

Ringgold County Board of Supervisors Minutes
July 11, 2018

The Ringgold County Board of Supervisors met in special session Wednesday, July 11, 2018. The meeting was called to order at 9:00 a.m. with the following members present: Kraig Pennington, Paul Dykstra and Lyle Minnick.

A motion was made by Paul Dykstra and seconded by Lyle Minnick to approve the agenda.
AYES: Unanimous. NAYS: None.

Engineer Travis Malone met with the Board to discuss the P68 project. After calculating the full scope of the project, it was found the total project cost would be close to \$400,000. The group reviewed the FY19 budget to determine availability of funds to complete the project. Malone suggested an alternative method for completing the project, such as reducing the amount of rock and oil needed by using an inch base and half inch overlay. The Board asked to look into doing a one-inch base. Malone will review and calculate final costs for the project following these changes. Malone stated he is able to utilize funds within his FY19 budget to cover the increased cost of the project.

Malone stated he could utilize state bridge funds to contract out the bridge project in the southeast part of the county. The Board has reservations about bidding these projects out as there is potential for the cost to increase, even with the use of state bridge funds.

At 10:00 a.m. Auditor Amanda Waske met with the Board to present a recommendation to hire Korbie Rinehart as the Deputy Auditor. The Board moved forward with approval.

The Board tabled approval of the minutes.
