Doug Sobotka, representing the Fogle Lake Board in Diagonal, met with the Board to discuss contracting with the county to chip and seal the road around the lake. He feels this would benefit both parties as a cost savings measure to the Lake Board, especially. Sobotka said they would like to see the project completed during summer 2019 some time; whenever it would work best for the schedule at secondary roads. The entire project may take one to two days, at most. The Board is in favor of this project as is Shields. Sobotka will meet with Shields to work out the details.
